NEW DIRECTIONS IN PHILOSOPHY OF LANGUAGE AND LINGUISTICS

An international conference
sponsored by the IAISLC

Venue: Rome, Pontifical Lateran University

Dates: June 4-5, 2018

To mark the 20th anniversary of the *International Association for the Integrational Study of Language and Communication* (IAISLC), this conference will explore new directions for future scholarship in philosophy of language and linguistics from an integrational linguistic perspective, drawing on the seminal work of Oxford Professor and Saussure scholar Roy Harris (1931-2015).
